Question

I am writing to enquire about the details of CCTV and ANPR cameras currently in your district. It would be very helpful for us to find out:

- 1) The current total number of council owned public space CCTV and ANPR cameras in your district
- 2) The names of the streets covered by both CCTV and ANPR cameras (i.e. camera locations and where possible what view they have)
- 3) How many days a year CCTV and ANPR cameras are actively monitored
- 4) How many hours a day CCTV and ANPR cameras are actively monitored and at what specific times
- 5) How many days/hours a year these CCTV and ANPR cameras are recording footage for

Answer

The parishes have no CCTV or ANPR cameras covering public spaces other than 4 CCTV cameras which cover a parish car park and, in part, Rue Des Fosses, St Peter. All cameras are recording 24 hours a day, 7 days a week but footage will only be viewed in response to a crime enquiry or other incident requiring police action. The footage is retained for 6 months.
