Request

Please could you inform me how much the Parish of St Helier charges the St Helier - Funchal Geminção Committee for the use of Peoples Park.

I would like the costs per day and for the duration of the event, also what is included in the costs.

Response

In 2016, the Parish of St Helier charged the St Helier - Funchal Geminção Committee £4,178.59 for the use of People's Park for the dates 20 August 2016 – 1 September 2016.

The charge is based on 13 days for a large event on People's Park at the rates applicable for 2016.

The charge relates to the use of the park.
