Request

I am trying to get some costing as to costs of the parish waste collection.
I am looking for the total Refuse collection bill for -

2006 2017 2018 2019

In 2017 I did ask for the number of households in St John, but the response came back as not available in the records.

I was thinking if the rates book of each year recorded the quarters for each property in St Johns then would it be a reasonable estimation of households.

For comparisons costs I am looking for number of households in -

2006 2007 2011 2016 2019
