Rates Working
Group

1. The Supervisory Committee, with reference to its minute no. 2 of 16th December 2019, noted the response from the Minister for Treasury and Resources to the Committee's correspondence regarding the report by the Rates Working Group ("RWG") and the Minority Report prepared by the Chairman of the St Helier Assessment Committee. The Minister agreed with the decision of the Committee to accept the recommendation of the RWG that there should not be a revaluation of property in Jersey for rates purposes. The Minister was content that the report of the RWG should be published but noted the RWG finding that, if it was determined that rateable values should always relate to the rental value this would have to be addressed in any future work on Jersey's property rates regime.
