

7 February 2022

Request

Under the FOI law I would like to request the following:

- 1) a list of parish roads which are currently confirmed to be resurfaced in 2022 (if possible 2023 as well)
- 2) a list of parish roads which are currently under consideration to be resurfaced in 2022.

Response

All Parish roads are kept under review; work is undertaken when required and having regard to the available budget for the year.

Parish	Parish roads which are currently confirmed to be resurfaced in 2022 (if possible 2023 as well)	Parish roads which are currently under consideration to be resurfaced in 2022
St Brelade	None confirmed for resurfacing in 2022/2023	Part of Park Estate and a section of Mont Gras D'Eau but a final decision is dependent on adjacent building works
St Clement	Not held. There is not currently a structured resurfacing plan but all roads are kept under review and patched when necessary.	Not held. There is not currently a structured resurfacing plan but all roads are kept under review and patched when necessary.
Grouville	A large section of Le Douettin.	Sections of La Rue des Teurs Champs and La Rue des Vaux.
St Helier	The Parish of St Helier Roads Committee have approved the following roads to be resurfaced between 1 May 2021 to 30 April 2022, coinciding with the Parish Financial Year. Devonshire Lane (2022) Seafield Avenue (2022) Grove Street (2021) Ingouville Lane (this is due to be resurfaced however it may need to be rescheduled due to major development in the area) The Parish does not currently have an approved list currently for the next financial year from 1 May 2022 to 30 April 2023 and beyond. Although a list will be drafted and presented to the Parish Roads Committee as the Highway authority in March/April	We do not have the list of roads for 2022/23 currently, this will be assessed in the coming two or three months, the list is impacted on services needing to be renewed, and developments, therefore it is a challenge for a list to be drafted in advance in St Helier. However the Parish is intending to undertake the regeneration/replacement of the Halkett Street precinct (paved) the stretch between Beresford Street and Hilgrove Street early 2023. In addition, the Roads Committee has approved five Neighbourhood Improvement Areas for residential streets in St Helier which will, subject to consultation, lead to extensive

	<p>2022. The Committee will discuss the list at an open meeting and if deemed acceptable will approve the resurfacing list.</p> <p>The resurfacing list will then reviewed again following the Rates Assembly in July where the rate level is set as this could affect the approved list as the rate determines how much funding will be available.</p>	resurfacing of town pavements in the next few years.’.
St John	Not held	Not held
St Lawrence	Not held	Not held
St Martin	Rue de la Solitude - confirmation of resurfacing of Rue de la Solitude can be found in the Parish Assembly Minutes held on the Parish website stmartin.je - Parish Assembly – 6th October 2020	Rue de La Perruque Rue de la Fosse a Gres Rue des Raisies La Longue Rue La Verte Rue Rue de Basacre Rue De La Pouclee et des Quatre Chemins Rue de l'Orme
St Mary	Not held	Not held
St Ouen	Not held	Not held
St Peter	Provisional list of roads which may be resurfaced dependent on budget: Mont des Vignes – completed 30 metres, further works still planned for further 30 metres (approx.) Rue de la Presse - resurface approx. 30 metres.	Not held
St Saviour	Rue St Thomas	Not held
Trinity	Not held Parish roads will be identified and agreed during the Parish’s budgetary process for the year commencing 1 May 2022, which will start shortly. Emergency repairs to Parish roads happen as and when required.	Not held
