Request

I would be grateful if details could be provided of the cost of the Fete de St Helier for the last 5 years detailing income and costs to derive a net cost to the Parish.

For the 2023 Fete, could details be provided regarding the tendering process for significant costs such as security, sound and entertainment providers and what procedures were followed in respect of any perceived conflicts of interest.

Response

Fete de St Helier - Year	Expenditure	Income	Net Cost
2023	£31,774.58	£6,662.50	£25,112.08
2022	£30,561.22	£5,040.00	£25,521.22
2021	Cancelled due to Covid-19		
2020	Cancelled due to Covid-19		
2019	Information not held		

For the 2023 Fete, it was considered that the value of the individual items was not sufficient to merit a formal tender process.

In the event of a conflict of interest being identified, the decision making would be escalated to a level where a conflict no longer existed.
