

19 December 2023

### Request

Please supply me with a record of all the meetings held between Simon Crowcroft and Tom Binet from the last general election to 27 June 2023. Please supply any minutes of these meetings and records of any decisions made with respect to the planned St. John's Road Scheme.

### Response

Meetings are held between the Connétable of St Helier, Simon Crowcroft, and Deputy Tom Binet, Minister for Infrastructure, on a monthly basis. At the meetings, a variety of topics are discussed. The meeting is informal and no minutes are prepared by the Parish but on occasion an informal record is made by a Government representative of points discussed. None of the records held from the last general election to 27 June 2023 relate to the planned St John's Road Scheme.
