Hi
If the open day hasn't gone live please wait until John and I see you Tuesday morning. It's all ok but maybe the following Sunday might be better. John doesn't know my thinking but on Friday he said Stanley, David, and himself won't be able to attend

Senior Proc needs to make a speach

Kind regards

Morning Peter

Nothing has been mentioned on social media, however I am not sure if Mark has published an article for the gazette summer issue. Some municipality members have received invites and I'm aware Mark has invited numerous other people, such as the Battle of Flowers, deputies etc.

My current concern this morning is that the flat roof was not covered over the weekend and the rain has leaked through the ceiling and all over the kitchen and corridor next to the toilets!

W Horn Brothers have been contacted to sort this urgently.

Kind regards

Morning!

Please could you put something on the web for the opening day and let the roads inspectors know. All other municipality should be aware.

Thank you! Hope everything is ok at the office.
