Request

I should be grateful if you could provide details of the commercial arrangement between the Parish of Trinity and the owners of the vehicles, for the parking spaces outside Shady Cottage on the Parish of Trinity road Rue Becq, for up to four vehicles, including one permanently covered.

Please outline the terms of the arrangement and whether or not there is a contract in place.

In case of the latter, please provide the contract start date, length and end date.

Please provide the annual rental paid to the Parish of Trinity, for each year separately, for the years: 2019, 2020, 2021, 2022, 2023 and 2024.

Response

The Parish has no arrangements with any owners of vehicles so the information requested is not held.

Roads in Trinity where there are parking restrictions are listed in the Road Traffic (Trinity) (Jersey) Order 1988, available on jerseylaw.je.
