

5 March 2025

### Request

I would like to know the number of dog licences issued for the following dog breeds in 2024 and 2025?

- Dogo Argentino type dog
- Fila Brasileiro (Brazilian Mastiff) type dog
- Japanese Tosa (or Tosa) type dog
- Pit Bull Terrier type dog
- XL Bully type dogs

### Response

There were no dog licences issued in 2024 or 2025 for the following:

- *Dogo Argentino type dog*
- *Fila Brasileiro (Brazilian Mastiff) type dog*
- *Japanese Tosa (or Tosa) type dog*
- *Pit Bull Terrier type dog*

Fewer than five licences have been issued in 2024 and 2025 for the American XL Bully type dogs. Due to the low number of cases, a disclosure control has been applied to protect the privacy of individuals.

A dog licence is required for all dogs in Jersey under the Dogs (Jersey) Law 1961, however a licence is not required for a dog under the age of six months (Article 3(a)).
