FOI exemptions applied:

Article 23 - Information accessible to applicant by other means

Information is absolutely exempt information if it is reasonably available to the applicant, otherwise than under this Law, whether or not free of charge. A scheduled public authority that refuses an application for information on this ground must make reasonable efforts to inform the applicant where the applicant may obtain the information.

Article 25(2) - Personal Information - Personal data, applicant not subject but supply contravenes data protection principles

Information is absolutely exempt information if – (a) it constitutes personal data of which the applicant is not the data subject as defined in the Data Protection (Jersey) Law 2018; and (b) its supply to a member of the public would contravene any of the data protection principles, as defined in that Law.
