| Minutes | 1. The minutes of the meeting held on 17 th February 2025, having been previously circulated, were taken as read and were confirmed. |
| FOI request –
property
attributes | 2. The Supervisory Committee noted that, in relation to a Freedom of Information (FOI) request for information from the Rates List relating to properties having specific attributes, the advice of the Jersey Office of the Information Commissioner (JOIC) was that whilst the property attributes on their own would not be considered personal data, when combined with other identifiers such as an address, this meant it could identify an individual/individuals, thus in turn making it personal data. The response to the FOI request had therefore been prepared on this basis. |
| Next meeting | 3. The Supervisory Committee noted the next meeting would be on 19 th May 2025. |
