

15 October 2025

Request

I request any information held by the parish of Grouville, or that can be provided by parish officials with knowledge of the post Branchage visit meal on the 19th of September 2025 (or whichever subsequent date the meal took place if not the 19th).

Specifically, I'd like to know how much if any of this meal was paid for using parish finances (money obtained by the parish through tax, rates, fines, parish expenses, parish credit card etc...), what was the total amount spent on the meal including beverages (alcoholic & nonalcoholic), what establishment the meal was held at, how many individuals attended, any non sensitive documentation (receipts, expenses form etc..)

Response

The 2025 Branchage meal was settled from the 'Branchage budget' allocated from the Parish 'rates'. The annual accounts are published on the Grouville Parish website at: [Parish Accounts | Parish of Grouville](#) on page 19 of the 2025 accounts and which show the 2025/2026 estimates for the Roads Account and include 'Branchage' - £4,100. Page 19 also shows income received to the Roads Account.

The 2025 Branchage meal was held at the Seymour Inn with a total of twenty-seven guests and the receipt is detailed below:
