Request

In September 2025 a Grouville Parish Assembly agreed, with 44 in favour and 40 against, to pay the landowner providing space for recycling bins £7,000.00 for the 4 months to April 2026, equivalent to £21,000 annually. The landowner is understood to be a member of the Roads Committee or associated with him.

Can you please confirm if any other Parishes are making an equivalent payment to landowners providing space for recycling bins and if so please detail the Parish, annual amount and payee involved.

Response

None of the other eleven Parishes make payments to landowners to provide space for recycling bins.
