Response

The list of Chose Publiques Permits for the year 2026 held is attached*.

*The sizes detailed within this list are the largest number of square ft that a business can operate at. Many businesses choose to reduce the size of their alfresco areas during the winter months and opt to only have a Chose Publique Permit in the summer months.

The application process for applying for alfresco licences and fees applied can be located online: [Alfresco Licences | Parish of St Helier](#) and [Choses-Publiques-application-form-2026_v3H.pdf](#) (FOI exemption Article 23 applies)

FOI exemption applied:

Article 23 - Information accessible to applicant by other means

Information is absolutely exempt information if it is reasonably available to the applicant, otherwise than under this Law, whether or not free of charge. A scheduled public authority that refuses an application for information on this ground must make reasonable efforts to inform the applicant where the applicant may obtain the information.
