Request

The car park that stretches alongside Peoples Park in St Helier was resurfaced / re-line painted in recent years. How much did that cost in total, and when was it done?

Response

The information requested regarding the resurfacing of the car park that stretches alongside Peoples Park is not held by the Parish of St Helier as only patch repairs have been undertaken in this area within the last 10 years.

The car park that stretches alongside Peoples Park was reline marked in May 2024 at a cost of £2,568.60. There were also multiple pothole repairs in June 2024 at a cost of £4,508.14.
